SUMMER READING . . .

Children need free time in the summer to relax and enjoy the pleasures of childhood. So summer reading should be fun. Here are a few tips to make reading enjoyable this summer:

1. Read aloud together with your child every day.
2. Set a good example and take time to enjoy a book!
3. Read the same book your child is reading and discuss it.
4. Let kids choose what they want to read, and don’t turn your nose up at popular fiction.
5. Buy books on tape, especially for a child with a learning disability.
6. Take your children to the library regularly.
7. Subscribe, in your child’s name, to magazines like Sports Illustrated for Kids, Highlights for Children, or National Geographic World.
8. Ease disappointment over summer separation from a favorite school friend by encouraging them to become pen pals.
9. Make trips a way to encourage reading by reading aloud traffic signs, billboards, notices.
10. Encourage children to keep a summer scrapbook.
INSTRUMENT FAIR RENTAL NIGHT, SAVE THE DATE . . .

3rd grade students interested in playing an instrument in the 4th grade band program were given the opportunity to sign up online to attend an instrument fair that was held this past May @ HBEC and June @ REC. These fairs help students make an informed decision on which instrument to choose.

The next step is to attend the Instrument Rental Evening. The rental evening will be for all perspective students and parents to attend to receive rental information and also have instruments owned by students checked out for proper working condition. The rental evening will be held at TVEC and is one night only. Mark your calendars and SAVE THE DATE!

**Wednesday, September 4 – Rental Evening at TVEC – 6:30 PM**

SUMMER TUTORING . . .

Thinking about summer tutoring for your child? Each year we get many inquiries from parents who are considering keeping their child on track with one-on-one summer tutoring. We have compiled a list of area professionals in and around the Twin Valley School District who have shown an interest in summer tutoring and have provided us with their contact information.

Parents, please keep in mind that we only compile a list of contacts from the information we receive and that we neither approve nor disapprove these tutors. You must make the determination as to whether or not the fit is right for you and your child. If you are interested, please contact the school office for the list of tutors.

**ENJOY A SAFE and FUN-FILLED SUMMER!**
