### Fun Fest – 10:00 AM

**Fun Fest Help . . .**
To make the Fun Fest successful the PTO is in need of volunteers. There are many activities to choose from. We can even find jobs where you can work as a family. We have crafts, games, auctions, food, prizes, face-painting, entertainment and much, much more. Any amount of time would be appreciated. You can contact the PTO at robesonpto@gmail.com or wait for the Sign-up Genius that will blasted home soon.
COLD AND FLU SEASON . . .

Please be mindful should your child become ill this cold and flu season. We are aware that not all illnesses require a visit to the doctor’s office. Please pay close attention to your child’s symptoms should he/she become ill. The school age student guidelines are as follows:

1. All children need to be FEVER FREE for 24 hours, without the aid of fever reducing medication, before returning to school.

2. Children who have been vomiting or suffering from any intestinal upset should also be FREE OF SYMPTOMS for 24 hours before returning to school.

Unfortunately, if your child is still exhibiting symptoms upon his/her return to school you will be asked to come pick up your child. If you are unable to pick your child up when they are ill at school, please make sure that you have alternative arrangements in place should this situation arise.

Taking these precautions and following the school age guidelines will help to ensure that our students stay as healthy as possible and do not infect others around them.

As always, please remind your child to wash their hands often!

A BIG THANK YOU FROM MRS. EVANS . . .

I want to thank everyone in our community for making our 2019 Kids Heart Challenge event such a memorable experience. I am extremely proud to announce that our community raised $14,949.40 for the American Heart Association! That is $2,944.40 above our goal! This is by far the highest amount REC has ever raised and donated to the AHA! Eighteen students raised over $200.00! Our top three fundraisers were Dakota Laird with $505.00, Grace Brezzius with $405.00 and Faith Grebe with $290.00. This proves how caring and giving our community is. Our students came to school ready to work hard on their jump rope skills and learn all about the heart. They did an amazing job! I will be placing the gift orders by the end of next week. The prizes will take 4-6 weeks to come in! I am already looking forward to next year’s jump rope for heart day.

Thank you again!
Mrs. Evans
