FIELD DAY STATION VOLUNTEERS . . .

Field Day will be on Friday May 31st, 2019 and the rain date will be on Monday June 3rd, 2019! We are looking for two parents to run each station this year at field day. We will also have the help from our support staff, teachers and volunteers from high school students. If you would like to run a station at field day, you can sign up for half day a.m. (8:30-11:30), half day p.m. (12:00-3:00), or full day (8:30-3:00). There are 24 slots for each time slot!

Adult volunteers will be assigned to a specific field day station to run. All the station instructions and field day information will be emailed to you at least a week prior to field day. I will meet with all volunteers in the gymnasium for a brief meeting before your station session begins. Please enter the school through the main entrance so our office staff can sign you in and give you a name tag. If you are helping run a station, you must have your name tag on at all times.

To sign up as a station volunteer, use our online sign-up genius by following this link: https://www.signupgenius.com/go/30e0d4aabab2da4fa7-field3

CLASSROOM ASSIGNMENTS . . .

As the school year comes to an end, there are many tasks our staff will be collaborating on in order for the upcoming school year to begin with a smooth transition. One of those tasks is formulating the class lists.

We consider classroom assignments to be extremely important and our teachers work very closely with one another to find the best possible fit for each and every student. Not only do they discuss the academic and social needs of each student, but they also consider the teaching styles and compatibility of the upcoming instructor.

While we do welcome input regarding your child, we do not honor specific teacher requests. However, if you have a concern or question, please do not hesitate to contact Dr. Stango by May 24th. He will be happy to discuss the situation with you. Thank you!

IT'S THE HOME STRETCH!
YOU CAN DO IT!!
